Office of the Food Controller and
Director of Civil Supplies in Mysore,
Bangalore, Dated 27th Sept. 1919.

From

K. MATTHAN, Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to your letter No. G.6451/P.P. 24-19-35 dated the 13th instant, directing that Nellore rice may be imported by merchants selected by calling for tenders, I have the honour to state that tenders for the import of the September allotment of 150 tons were called for. Only one tender was received the rate being Rs.21-4-0 per bag of 164 lbs. net. which would be equivalent to a retail rate of slightly over Rs 32 a palla. The price quoted is far too high for the sample of rice deposited, and it is undesirable to authorise the import and sale at such a high price by a single importer. I have, therefore, arranged to import the Nellore rice allotments including the balance of previous months by issuing priority certificates to a few approved registered merchants under the conditions of registration sanctioned in Government Proceedings No.G.19408/P.P. 134-18-374 of 4th March 1919. The system is not without its disadvantages especially as several persons buying the same kind of rice in the same area may force up prices in the buying area, but the fact that the rice will not find a sale locally unless it is obtained at prices comparing favourably with the prices of local rice of similar quality acts as a sort of check

check against undue inflation and in any case it is desirable that there should be competition in the place of sale. I request that the arrangement may be approved.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.
